GENERAL CONDITIONS

1. This consent is granted subject to the power of the Board to review and make variation in or revoke any of the conditions as the Board deems fit as per the relevant Acts/Rules.
2. The applicant shall comply with the instructions that the Board may issue from time to time regarding prevention and control of air, water, land and sound pollution.
3. For renewal of the consent in case of continuance of discharge /operation of the industry, application in the prescribed form shall be submitted through the web portal of the Board for Online Consent Management & Monitoring System 2 months prior to the date of expiry. Late application will be accepted only with fine.
4. No change or alteration of the industrial plant is to be made without the prior written permission of the Board. Any change in the particulars furnished and/or in the identity of the occupier/authorised agent is to be intimated to the Board forthwith.
5. This consent is granted on the basis of the affidavit furnished by the applicant. If the statement furnished in the affidavit find false, the consent issued will be revoked and prosecution will be launched against the unit.
- 6 The location of the quarry shall be as per the approved drawing attached
7. There shall be minimum distance of 50m from the quarrying point to nearest residence as per PCB/HO/Circular-01/03/2017/B dated 10.10.2017.
8. Boundary shall be fenced before operation of quarrying activities.
9. The concentration of PM10 and PM 2.5 at the boundary shall not exceed 100 microgram/m³ and 60 microgram/m³ respectively.
10. After extraction at the site is completed, the land may be used for rain water harvesting with protective barriers/any other suitable approved purpose or may be reclaimed as per the Mining Plan approved by the Department of Mining & Geology.
11. The applicant shall comply with the instructions that the Board may issue from time to time regarding the prevention and control of Air, Water, Land and Sound Pollution.
12. No change or alteration of the quarrying area is to be made without the prior written permission of the Board. Any change in the particulars furnished and/or in the identity of the occupier/ authorized agent is to be intimated to the Board forthwith.
13. The sound level measured at 1 m outside the boundary of the premises shall not exceed the ambient sound level applicable to the adjoining area.
14. Suitable species of trees and curtain plants shall be planted and maintained within and along the periphery of the premises, forming a green belt to improve the environment.
15. The consentee shall put up a sign board of size 6x4 ft. near the main entrance of the plant to display the name of the unit and important consent conditions.
16. The applicant shall submit copies of all relevant permits/ lease/certificate/licences periodically to this office to ensure the validity of this consent.
